

to 19, having regard to formulation described at page 28 and formulations 1 to 8 described at pages 34 to 41. The inclusion of the molecular weight range referred to in Claims 5, 11, 15, 20 and 22 are taught for example at page 45, lines 14 to 18 and page 46, line 20.

The amendments to the claims reorganize the claims as follows:

Claims 1 - 5 and 21 - 25 relate to composition claims and Claims 6 - 15 relate a method of administration and Claims 16 - 20 relate to delivery.

If Examiner Nutter wishes to discuss this matter with Applicants' Agent, he is respectfully requested to call Ivor M. Hughes of HUGHES, ETIGSON at 1-800-265-6836 at his convenience.

Respectfully submitted,
